Routledge, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "This volume is the most comprehensive overview of the death penalty in America that has been published this century. Acker gives us a thorough overview of the issues involved, combining factual data with unbiased analysis. Undoubtedly the book will be widely adopted in a wide array of death penalty courses." Michael L. Radelet, Sociology, University of Colorado "Questioning Capital Punishment is, hands down, the best available resource for getting students to think about the hard questions surrounding America's death penalty. By presenting excerpts of U.S. Supreme Court decisions, among other materials, James Acker's book highlights all the major issues--from jury selection to execution, and from arbitrariness to deterrence to race--surrounding the administration of capital punishment. The questions Professor Acker poses--the product of decades of his own thinking about these issues--are sure to engage students in the classroom." John Bessler, University of Baltimore School of Law, and author of *Cruel and Unusual: The American Death Penalty and the Founders' Eighth Amendment* "Questioning Capital Punishment provides a terrific introduction to the theory and practice of the American death penalty. The book captures the broad philosophical issues surrounding recourse to the death penalty as well as the difficulties on the ground in its present day administration. Moreover, the book does so in a commendably accessible fashion." Jordan Steiker, Director, Capital Punishment Center, University of Texas School of Law "This book is indispensable reading for anyone seeking to develop an informed opinion on capital punishment. Drawing on statutes, research, and judicial opinions, as well as his own insights as a leader in the field, Acker delivers an exceptional overview of death penalty history and jurisprudence and provides an essential foundation for meaningful debate." Deborah Denno, Fordham Law School "This is...
