Inner Light Publications, United States, 2012. Paperback. Book Condition: New. 262 x 198 mm. Language: English . Brand New Book ***** Print on Demand *****.HERE ARE SOME OF THE MOST DISTURBING CASE HISTORIES OF THE STRANGE AND UNKNOWN THAT YOU WILL EVER ENCOUNTER PROOF THAT THERE ARE UNSEEN REALMS AND THAT THE UNIVERSE IS FOR PERPLEXING THAN WE EVER CONTEMPLATED. It may have a long title, but the works of Harold T. Wilkins are nothing to sneer at. Noted historian Timothy Green Beckley has proclaimed Harold T Wilkins one of the most important writers on the paranormal of ALL TIME, who immersed himself in tales of Atlantis, lost civilizations in the jungle of South America, haunted treasure troves of infamous pirates, and prehistoric creatures which may still be alive. In the 1950s Wilkins became mesmerized by the earliest flying saucer accounts, and his works FLYING SAUCERS ON THE ATTACK and FLYING SAUCERS UNCENSORED became popular hits because of their controversial nature. Here are electrifying reports of the unknown. . . Recounted is the history of a militant race of Atlantean warriors who could only be killed by stones or wood because they were invulnerable to steel. And read a terrifying account of a fire breathing monster which emerged from a UFO in 1952. Witnesses say a half-man/half-dragon creature, 10 feet tall with a red/orange face and green body was seen floating just above the ground! And do exotic creatures still exist in the deepest jungles of the world? Read about a brave reporter found ripped to shreds by a King Kong-like monster, and the native women who coupled with large apes. Also included are the world's most mysterious creatures: Unicorns, the Abominable Snowman of the Himalayas and a bird with the head of a monkey.
