Willis Bund For some mysterious reason the law on all sporting matters is complicated and difficult of clear statement, but the worst of all is the law of fishing. The number of the Acts of Parliament, the abominable method of legislation by reference which has been so largely used, the various local by-laws which each small fishery board has framed for its district, make up a collection of laws that pass man s understanding. The difficulty is not lessened by the fact that some laws only apply to some fish, some to others, and that to really understand the fishery laws a certain amount of biological knowledge is required. Thus the Queen s Bench held that every one was bound to know it was illegal to take the young of salmon, but no one was bound to know what fish were the young of salmon. The best way to deal with the subject will be to state the law which is general, and prevails over all parts of England and Wales, then the law which applies only to particular places. The general law is of two kinds, that which comes from the common law and that which comes from statute. The common law part is that which gives rise to questions as to the ownership of a right to fish, the statute law defines how the right is to be used. (a) Common Law Rights. The...
