Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In this business it pays to be smooth, hard as nails and tough as they come. Unfortunately for me-I'm not. Luckily, I can wield sarcasm as well as any weapon, and I'm not afraid to use either of them. When that fails-and it usually does-there's no substitute for a sucker-punch. So sit back and let me tell you how this nightmare came about and made me one of the most infamous agents to ever put on a badge. But let me warn you right up front. I'm not suave enough to get a woman out of her clothes just by smiling at her. If that's what you're after, Ian's Bond has got you covered. I'm not smooth enough to pull off most of these capers without having to fire a shot. There are guys out there good enough, like Spade and Marlowe, but that's not me either. And I'm not one of those guys that's so damn tough that even when he gets his ass kicked you just know-you know-he's gonna be back to finish off the bastards that did it. If that's what you're after, then nobody-but nobody-drops the hammer, like Hammer. I'm the guy that has to get in there and get his hands dirty-filthy. The one that has to bust his ass and use everything he can to come out of it alive. It ain't always pretty, but I get the job done. And don't worry, I'm going to give you a little something in return, because I can promise you one thing-you'll be laughing on...
