Brand New Book ***** Print on Demand *****.Reading is fundamental: Take several journeys through the imaginative mind of an artist who writes to stimulate your thought process. There is no greater question to ask yourself than that question of What If? A Winter s Sun will take you on an excursion that will have you screaming out loud in horror as you experience how undiscovered monsters steal the innocence from the young and innocent. Having sex had become one of Rebecca s favorite things in the world, but there were...
