In the coming Crisis, that should begin sometime between now and the end of 2017, most people will be stunned by their losses; many will be utterly destroyed; but a few, a fortunate few, will pay attention to what The Prosperity Clock is now indicating and will join with me to not only survive in the difficult days ahead.but PROSPER! Those are the words of Joseph S. Holleman, author of The Prosperity Clock book series. He goes on to say that: The storm clouds gathering overhead now are unmistakable. There is no doubt in my mind, particularly after witnessing in real time how the Prosperity Clock model perfectly timed the 2007 market panic and recession, that the gale force winds of this next major Crisis period are about to hit us. In the Prosperity Clock book series, and the bonus materials that I make available to you, I put everything on the table.all my knowledge gathered over the last 30 plus years, to help you get through the difficult days ahead. Of course you COULD be one of those fortunate few IF you know what to expect and take the necessary steps to prepare now. If you do you could potentially save the life and livelihood of both yourself and anyone else that you care about. For that matter, you might even save their lives. It really depends on YOU and the choices YOU make after reading this book.
