## Meeting Oregon's New High School Math Graduation Requirements: Examining Student Enrollment and Teacher Availability

By United States Department of Education

Bibliogov Mrz 2013, 2013. Taschenbuch. Book Condition: Neu. 246x189x5 mm. This item is printed on demand - Print on Demand Neuware - The study was motivated by a 2005 Oregon law that requires students to take three years of mathematics courses at the algebra I level or above (advanced math), beginning with the Class of 2014. This study examines the percentage of Oregon students enrolled in high school-level math courses during 2006/07 and 2007/08 who would have been on track to graduate had the new mathematics requirements been in place. It also examines whether there would have been an adequate supply of teachers endorsed to teach advanced math in 2006/07 and 2007/08, had the new requirements been in place. 80 pp. Englisch.
