Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I Augustine Constantine was working as a manager at a restaurant when Lucifer and his evil adversaries attacked me, a Christian man. Through five days of magic and other witchcraft I was exposed to horrific sights. I would be lead down a path of delusions or was this some kind of plot from Lucifer. I want the reader to put themselves in my shoes and realize what I experienced. In the midst of my trouble Jesus appears to me at church. I have been labeled a paranoid schizophrenic but I know you will see that something way bigger happened here. Satanism versus Christianity in the 21st century, are you prepared?.
