Stacey Nash, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Jordan Hays knows just how precious life is; that's why he has his own mapped out. He'll work to pay his way through university while he studies hard, regardless of the constant distractions. Because when it comes to becoming a nurse, he's deadly serious. He won't fail to save someone again. But Hex Penton is way too similar to the sister he lost, and even though the only thing more fun than stupid dares is the crazy girl who sets them, Jordan needs to make a choice. Hex believes every moment is important; every opportunity must be taken, because you never know when the world will be yanked out from underneath you. With the foundations he's based his life on shaken, Jordan must discover what's more important: making sure Hex's life isn't wasted, or remembering how to live his. It's time to play truth or dare. \*\*\* Wait! is a story about acceptance, learning to trust and in turn love while facing life's unexpected difficulties.
