By Food and Agriculture Organization of the United Nations

Food & Agriculture Organization of the United Nations (FAO). Paperback / softback. Book Condition: new. BRAND NEW, Forests Challenge Badge, Food and Agriculture Organization of the United Nations, The purpose of the United Nations Challenge Badges is to raise awareness, educate and motivate young people to change their behavior and be active agents of change in their local communities. Additional badges are available or are being developed on a number of other topics including: Agriculture, Biodiversity, Climate Change, Energy, Governance, Hunger, Nutrition, the Ocean, Soils and Water. The "Forests Challenge Badge" is designed to help educate children and young people about the crucial role that forests play for life on our planet. This booklet includes basic educational contents on the different types of forests and where they grow. It explains how forests provide essential ecosystem services such as clean air, water, and climate change mitigation. It also describes various forest resources and explains how millions of people worldwide rely on forests for their livelihoods. The badge describes the threats to our planet's forests and what is being done to protect them. This material is appropriate for use in school classes, Guide or Scout groups or youth meetings generally. It includes...

Reviews

An extremely wonderful pdf with perfect and lucid information. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.
