In the Persian Gulf War the U.S. Air Force (USAF) demonstrated that a new era in strategic bombing had begun. Air power could now destroy key portions of a country's military and economic infrastructure without resort to nuclear weapons and heavy bombers and with low losses to both the attacker and enemy civilians. This achievement rested on...

## Reviews

*This pdf is really gripping and interesting. We have gone through and I am confident that I will planning to read yet again once again later on. You won't feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).*
