Kregel Publications,U.S. Paperback / softback. Book Condition: new. BRAND NEW, Evidence, Answers, and Christian Faith: Probing the Headlines, James F Williams, Kerby Anderson, Jimmy Williams, How do I know God exists? Why is there evil? How can we believe Jesus is the only Savior? Is the Bible really reliable? How do you and your kids answer these and other tough questions concerning the Christian faith? When friends, colleagues, children, or even you raise difficult questions about the claims of Scripture, do you have answers and evidence grounded in truth? In a clear, straightforward style drawn from the wealth of insights developed for the popular radio programs of Probe Ministries, James Williams offers accurate answers in defense of the Christian faith. He and the book's contributors provide a complete apologetic for the faith by addressing the ethical, emotional, and logical issues of Christianity. Jesus either was or was not who He said He was, and the Bible is either true or it is false. Each person, believer or not, reaches some verdict on these all-important matters. This book provides clear direction through trustworthy evidence.
