After assaulting an officer, it's either to prison or to experimental inpatient therapy with her. Without caring about details, only about not becoming a prison bulldyke s bitch, she chooses therapy. But what will Stacie do when she meets Mommy, her new therapist? Faced with spankings, diapers, and punishments for being a spoiled brat, will she choose prison instead? All characters depicted are 18+, intended for adult audiences only. A steamy new series from taboo erotica author Velvet O Meara, many of whose titles are banned! For the open-minded only. Listen, young lady, we're going to take you indoors, out of that nasty jumpsuit, and get you properly dressed. You will never use such filthy language in my hearing again, is that clear? You're f\*cking crazy, Stacie spat, amber eyes blazing. This is supposed to be therapy? People dressed like babies? What the f\*ck is this place? She was still ranting when her head reeled back as Mommy slapped her across the face. It stung badly, and Stacie raised one hand disbelievingly to her face, words stopped dead in her throat. She tried to wrench her arm away from the woman, but the grip was like iron. She kicked the woman instead. Mommy slapped her again, harder. This is not usual therapy, and I'll only tell you this once. If you behave, you'll be treated well. If you're very good, I'll even reward you....
