You continue to use cosmetics products promising you an acne-free life, anti-aging results, smoother glowing skin. But the more you use these products, the fewer results you see. If you're like millions of other people, you may begin to feel they only prove to be a waste of both your money (the best of these products come with a hefty price tag!) and your time. There very well could be something else that is being wasted, too -- your very health. It's true! Even the so-called natural and organic cosmetics seem to carry potential dangers -- despite the soothing assurances of commercials and manufacturers. If you put cosmetics on with less than healthy -- even toxic -- ingredients, guess what happens? All the potentially toxic items soak directly into your skin and into your system. Surely there must be a better way to make you look and feel better without putting your health on the line everyday! What if I told you there were products available that are natural, and many times organic that wouldn't harm your skin or endanger your health? What if I told you there were products you can use and be absolutely sure of the ingredients you were using? What if I told you the ingredients for these outstanding skin care remedies are waiting for you right now in your very own kitchen? All you need to do is gather the items and make them. It's true and this is what **Natural Organic Beauty Recipes** will show you. Just imagine being able to have healthier more beautiful skin in just 7 days (or less) without becoming frustrated...
