

## The White Peacock and Other Works for Piano: The White Peacock and Other Works for Solo Piano

Filesize: 2.33 MB

### Reviews

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be the best ebook for possibly.*

Dover Publications Inc., United States, 2013. Paperback. Book Condition: New. 304 x 229 mm. Language: English . Brand New Book. The central piano works of Charles Tomlinson Griffes (1884 1920) share with Claude Debussy s music those distinctive harmonies and rhythms that typify impressionism in the early twentieth century. In that period of 1910 to about 1916 the year of Debussy s Sunken Cathedral and Ondine Griffes composed his evocative The Lake at Evening, The White Peacock, and The Fountain of the Acqua Paola. This highly colored music, free in form and strongly pictorial, signaled Griffes s creative break from his student work in Berlin, infusing his music with the experimental parallel harmonies, whole-note scales, fluid rhythms, poetic references, and tinges of orientalism typical of the style and its time. This fine collection contains all of the essential works of Griffes s central period: Three Tone-Pictures, Op. 5 ( The Lake at Evening, The Vale of Dreams, and The Night Winds ); Fantasy Pieces, Op. 6 ( Barcarolle, Notturno, and Scherzo ); Roman Sketches, Op. 7 ( The White Peacock, Nightfall, The Fountain of the Acqua Paolo, and Clouds ). This volume concludes with Griffes s Sonata, completed in early 1918, just two years before his premature death. Written at the peak of Griffes s creative power, it is one of the composer s most striking works and a complete break from his earlier style classically structured and uncompromisingly dissonant.
