Language: English Brand New Book ***** Print on Demand *****.Excerpt from The Political Future of India: A Study of the Aspirations of Educated Indians, a Prize Essay The leaders of current political movements in India focus their aspirations upon Self-Government, and all thoughtful people - except a few who, prompted by personal or what they conceive to be British interests, find it convenient to trample upon all aspirations - ask themselves if it be possible that the heterogeneous races of India can be welded into one community capable of successful autonomy. If so, how and when? Recent deplorable events prompt the further inquiry how violence and outrage, the greatest hindrances to progress, can be effectively suppressed. With a view to obtaining expressions of opinion on these points from all sections, I offered, while on a recent visit to India, a prize of two thousand rupees to be competed for under the conditions stated on another page.
