Originally intended as the treatment for a screenplay entitled, Shades of Grace this thirty-eight page run of rhythmic, rhyming, prose has turned out a parody! Read through its pages for a surprising twist of events that carry us swiftly through the heart of family dysfunction, and leave us thoughtfully in front of the issues at the center of its core. Crazy Lane is like a puzzle that you can begin to solve. All of its pieces work together to take us on a journey to enlightenment in the details of social psychology and family dynamics.
