By Peter Fogel

Frederick Fell. Paperback / softback. Book Condition: new. BRAND NEW, Reboot Your Career: 27 Ways to Reinvent Yourself in the Workplace. (If You Still Have a Job!), Peter Fogel, Reboot your Career is a pragmatic, how-to book written in a fast paced, breezy style loaded with proven advice for workers and their bosses. It outlines in detail the steps needed to help any disenchanted worker (no matter where they are in the corporate pecking order), to go from where they are to where they want to be for TCC! (Total Career Contentment) NOT your "dad's business book," the author calls on his comedy writing background and uses humor throughout the book to get his message across. At the end of each chapter a review of the major points are given for quicker absorption. Fogel uses his three decades of business experience and shows the reader that using the strategies of a marketer, plus having the mindset of an entrepreneur, will allow them to efficiently reboot their career. Using proper reinvention techniques will allow that worker to leap over their competition and make them invaluable to their company-- and thus reaping the rewards!.
