Penguin Books Ltd, United Kingdom, 2014. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. The Burn Palace from Stephen Dobyns is a darkly funny, twisted portrait of chaos and paranoia in small town America. The sleepy community of Brewster, Rhode Island, is just like any other small American town. It s a place where most of the population will likely die blocks from where they were born; where gossip spreads like wildfire, and the big entertainment on weekends is the inevitable fight at the local bar. But recently, something out of the ordinary - perhaps even supernatural - has been stirring in Brewster. While packs of coyotes gather on back roads and the news spreads that a baby has been stolen from Memorial Hospital (and replaced in its bassinet by a snake), a series of inexplicably violent acts begins to confound Detective Woody Potter and the local police - and inspire terror in the hearts and minds of the locals. Chillingly suspenseful, with a whole host of richly rendered and larger-than-life characters, The Burn Palace from Stephen Dobyns is a masterful thriller, which fans of Stephen King and Susan Hill will devour with pleasure. Praise for The Burn Palace: I ve read some very good novels this year, but this one is the best of the best . (Stephen King). Stephen J. Dobyns (born February 19, 1941) is an American poet and novelist born in Orange, New Jersey, and residing in Westerly, RI.
