By Steve McClure

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This is the first book of Stryders Odyssey, a SciFi / Fantasy series that will take the reader on adventures to other worlds. When Sam goes camping in the woods near his home town of Big Bear, it is a time when he comes in contact with more than just the local wildlife. He travels through a portal and learns that the human spirit exists on other worlds besides his own. For this discovery will take him to the nine colonized planets on a search to find those with the rings of council. But be mindfull of the Order for they have their own agenda. [Ver 2-14] .and did I tell you there be Starships! Excerpt. Cassie (short for Cassandra) had just arrived as one of the replacement astronauts to the International Space Station. This being her first night in space, she found it very hard to sleep; she was simply too excited. She floated round the station until she came to the Tranquility Module. She recalled that this was where the Cupola observatory was located. Now the...
