Gen Next Publication/Gyan Books Pvt. Ltd., New Delhi, India, 2014. Softcover. Book Condition: New. First Edition. This book has been written for home makers. It is immensely beneficial and how to manage home efficiently like a seasoned house-keeper. The book provides invaluable tips, tools, techniques, scientific explanations, etc., so that the same chores turn into delightful experience, besides giving you ample scope to pursue other goals or hobbies. I started learning house-keeping as a child from everyone around me. I was fascinated by the tiffin that students brought to school; even the simple placement of chapatti and sabzi fascinated me. I was enchanted with the way some ladies created wonders from the available resources. For example, they did crochet around a small piece of cloth, and very soon it looked a beautiful table mat nothing short of a master piece! This book is the essence of over two decades of my experiments, insights, and explorations to save time, yet, manage my home efficiently. I want to share these time-tested tips with all so that I can bring smile on the face of home makers'. Happy Housekeeping. Printed Pages: 168.
