

Climate and Christ: A Prophetic Alternative

By Edward P. Echlin

Columbia Press. Paperback. Book Condition: new. BRAND NEW, Climate and Christ: A Prophetic Alternative, Edward P. Echlin, Describes what climate change is and how it happens, and suggests ways in which ordinary people can help to mitigate it. It also describes the process of evolution, and proposes that Christian ecology must henceforth integrate evolution. A chapter on Jesus Christ discusses Jesus' own ecology, from birth to resurrection, including the agrarian' Jewish ethos which he inherited and lived in his own alternative itinerant lifestyle. It also makes suggestions for our own prophetic alternative' lifestyles inspired by Christ. This includes the principles of local sustainability, and an agrarian economics not predicated on everlasting growth'.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS
