Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****. We all love it when a plan comes together. The payoff for standing firm through the process is attained when fitting the pieces together resembles what we've envisioned. Seeing the object of our intentions actually fulfilled brings a sense of peace and joy that cannot be duplicated. Planning is a tool, which in itself is not the answer to circumstances, but a pathway to uncover answers. Our goal should never be to plan our lives away or seek to have a perfectly balanced life; this does not exist. Keeping it simple and living in real time with a focus on responding to life's issues instead of reacting to them help create a purpose-driven life that starts with a plan. How you view plans and the planning process will determine the level of freedom and flexibility you incorporate into your life. A plan is not a resolution, but a structured representation of giving desires and dreams arms and legs to arrive at a destination of choice. Having a plan takes the pressure off trying to remember everything and everybody and why we are doing what we are doing. It builds in management pieces that keep what is important in view and weeds out distractions as it defines elements that are worthy of your time and energy. A plan is not a to-do list or a rigid, minute-by-minute schedule. It may have portions of to-do items and a schedule format within it, however, it is representative of much more. Planning requires all parts of our being to reconcile-to work together and generate direction. It is a thought process governed by specific variations, not just idle...
