

Finding Your Child's Way on the Autism Spectrum: Discovering Unique Strengths, Mastering Behavior Challenges

Filesize: 4.06 MB

Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Moody Press,U.S. Paperback / softback. Book Condition: new. BRAND NEW, Finding Your Child's Way on the Autism Spectrum: Discovering Unique Strengths, Mastering Behavior Challenges, Laura Hendrickson, It seems that nearly everyone knows a family with an autism spectrum child. Most recent figures suggest that the prevalence of all autism spectrum disorders in the United States is an astonishing 1% of the population in the United States, translating to twelve million parents and grandparents that are seeking answers. There are many books available on how to "cure" an autistic preschooler, but none on how to raise one to adulthood. These promised cures raise parents' hopes, but most parents will find that they are dealing with a lifelong challenge no matter what they do. Dr. Laura Hendrickson is a trained psychiatrist, biblical counselor----and the mother of an autistic child. She understands the struggles parents face as they try to communicate with their autism spectrum child and manage behavior challenges. Building on Dr. Hendrickson's medical background as well as her practical experience, "Finding Your Child's Way on the Autism Spectrum" presents autism spectrum disorders as a different developmental pathway rather than a disability. Dr. Hendrickson has seen that those diagnosed with autism spectrum disorders can make significant contributions to their world. And as a parent of an autistic child, she is able to offer practical solutions to the problems parents face. Dr. Hendrickson does not deny that autism is a serious challenge, but addresses specific ways to work with a child according to his developmental differences, or "way," to raise his level of function. With an approach that is grounded in a deep understanding of the challenges those caring for autism spectrum children face, "Finding Your Child's Way on the Autism Spectrum" gives the reader sound, practical tools for understanding how to guide...
