

## Cost Accounting (Second Edition)

By Nirmal Gupta

Pragati Publications, New Delhi, India, 2003. Softcover. Book Condition: New. Second Edition. The Book provides a comprehensive presentation of theory and practice of Cost Accounting. It caters to the requirements of the students preparing for B.Com. of Delhi University but with its comprehensive coverage is equally useful for the students of Others Indian universities and for various professional examinations. Most of the questions, problems and illustrations have been taken from university and professional examinations. This will help the students prepare themselves according to the standard expected of them. The book is student-oriented and written in 'teach yourself style. Working notes have been given for better understanding. It contains more than 150 illustrations and 200 practical problems; 5 model test papers along with hints have been included for self test just before examination. The book would be indispensable for students and teachers of cost accounting. Printed Pages: 378.

### Reviews

*This composed book is excellent. it was actually written very perfectly and valuable. I found out this book from my i and dad advised this book to learn.*

-- **Maymie O'Kon**

*Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Lupe Connelly**
