The words profiled in this book are all commonly used in the Filipino language and are both informative and fun for English-speaking children to learn. The goals of **My First Book of Tagalog Words** are multiple: to familiarize children with the sounds and structure of Filipino speech; to introduce core elements of Filipino culture; to illustrate the ways in which languages differ in their treatment of everyday sounds; and to show how, through cultural importation, a single word can be shared between languages. Both teachers and parents will welcome the books cultural references, and appreciate how the book is organized in a familiar ABC structure. With the help of this book, we hope more children (and adults) will soon be a part of the 22 million people worldwide that speak Tagalog! This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
