Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Write a decent book, Tweet a few times, accept any spontaneous reviews graciously, and keep all of your friends. This isn't a How to sell a million copies or How to be a New York Times bestseller guru session. This is not for seasoned Authorpreneurs looking for new promotion and sales tactics. It is NOT a tried-and-tested formula for writing a blockbuster novel. And it will not tell you how to become a billionaire through exploiting your hidden USP (Unique Selling Point). Neither is it a Zen lifestyle guide, telling you that it is simply a case of convincing the world (and yourself) that you are the world's top author, and you will be showered with money, Nobel prizes, Oscars, Specsavers Daggers, retail sponsorship, street-value turnips, or whatever else takes your fancy. None of the above. It's a journal of the everyday life of a modern, under-the-radar indie author since the global self-publishing trend started, and a few confessions of advising others while being a Useful Technical Person to Have Around. It is also a book for beginners, giving tutorials and case studies - on the subjects of inspiration, motivation, genre, legal hurdles, research, editing, and identifying your ideal market audience - along with the rocket science of formatting your documents for print-on-demand and ebooks, embedding illustrations, creating and linking digital books to external content (such as audio and video), uploading your work, and some gentle cautionary advice on publishing issues and promotions. There will be laughs. There will be tears. There will be revealing examples made (and even links you can refer to for working samples of multimedia extras). Above all,...
